

English

- Studying our class book 'Olly Brown, God of Hamsters' by Bethany Walker
- Learn and recite performance poems
- Analyse, plan and write instructions
- Analyse, plan and write a chapter in the style of a significant author (Cressida Cowell).
-

Maths

- Length and perimeter
- Fractions-what do they mean?
- Fractions of shapes, quantities and groups
- Adding and subtracting fractions with the same denominator
- Comparing and ordering fractions
- Mass and capacity

History and Geography

In History, we'll look more at the Stone Age, Bronze Age and Iron Age and compare these time periods.

In Geography, we'll be studying the UK, including topographical features of the Lake District. We'll also look at settlements in early Britain as well as doing some map work.

Year 3

Stone Age

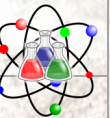

Science

Rocks and Soils

compare and group together different kinds of rocks on the basis of their appearance and simple physical properties

describe in simple terms how fossils are formed when things that have lived are trapped within rock

recognise that soils are made from rocks and organic matter

PSHE & RE

Our PSHE theme this term is 'Healthy Me'.

In RE we will be continuing our study of Christianity.

Computing

In computing this term, we will learn how to use internet search engines safely and effectively. We will learn about how to keep ourselves online.

PE & MFL:

In French, we will be studying The Enormous Turnip, numbers, ages, gender articles, conjunctions and adjectives.

In PE, we will learn football and handball.

Art, Music & DT

In DT, we will be making shell structures.

In music, we'll look at pop music.
