Why is Good Attendance important?

There is a link between good school attendance and a high level of attainment. Regardless of the reason, if your child is absent from school it will impact on their learning. Parents/carers are legally responsible for ensuring their child attends school on time every day.

Medical or Dental Appointments

Where possible, all appointments should be booked outside of school hours. Where this is not possible, the amount of school time missed must be kept to a minimum. Evidence of such appointments must be provided.

Too ill to attend school?

Children can attend school with minor ailments (toothache, headache, stomach ache, cold, sore throat), over the counter medicines can be given before school. School will contact you if they become too ill to remain in school. Children should be off school for 48 hours if they have sickness or diarrhoea.

Reporting Absence

It is a parent/carers responsibility to notify school if your child is absent. Please do this as soon as it practically possible by phoning the school or completing the absence reporting form on parent mail.

Term Time Absence

The headteacher may not grant any leave of absence to pupils during term time unless they consider there to be exceptional circumstances. Each application is considered individually taking into account specific facts, circumstances and relevant context behind the request.
